Please make sure to fill out your rental forms completely. Initial and sign the top paragraph. Please remember that lessons start at 10AM and 1PM only. **You must arrive at the Lesson Area 15 minutes prior to the start of the lesson. Give your group enough time to get their tickets organized and make it through the rental process.**

On the day of your trip, please arrive no later than 8:15am in order to deliver your group the best service without waiting (the earlier the better, the rental shop opens at 8:00am, and morning lesson begins at 10am.)

We want your trip to be "More fun. Less hassle."

We will be more than happy to customize a private lesson for you group. Private lessons are recommended for anyone above a low intermediate skiing or riding ability. You may have up to 5 people per private lesson.

We need to receive this form 10 days prior to your visit via email or fax 530.426.6722
