Signature Private Lessons

From First Timers To Experts
 Whether you are just learning how to slide or are looking to push your limits in any or all terrain, the private lesson is the way to go. Request a professional that specializes in the steeps, the terrain park, the bumps, the backcountry and more.

If you're ready to go on to the next level, private lessons are absolutely the BEST way to improve. Sugar Bowl's professional instructors offer customized ski or board programs for all levels and terrain types. Organize your own private group of up to 5 skiers or riders. All students in your group will need to be of the same ability level. We will customize your lesson to any slope, any conditions, or any terrain.
